Membership Rules:

Membership of the club is restricted to one person from any profession or trade and entry is on a 'first joined, first served' basis. In this way, every member has the opportunity to promote their company's products and services in a non competitive environment, which is then mutually supportive and leads to increased business and profits.

Members have the opportunity to promote themselves and their business on a fortnightly basis and at each meeting one member has an opportunity to provide the group with a detailed insight into their own business. In addition, at each meeting there is a learning point, which ranges from new tax regulations to people management issues and from networking skills to marketing skills.

After the formal part of the meeting is over, members have the opportunity to network informally with each other over breakfast.

Network 4 You meets every two weeks on a Wednesday morning. Meetings are from 06:45 – 08:30 and people are able to get away promptly to start their busy day. We meet at Sugar Snap Restaurant, 451 Uxbridge Road, Hatch End, Middlesex, HA5 4JR.
